Mattress Core

Standard O.R. 2 Foam Layers:

- Soft Conforming Foam Layer
- Supportive Foam Base Layer

All foam is CertiPUR-US certified which means:

- Made without ozone depleters
- Made without PBDEs, TDCPP or TCEP ("Tris") flame retardants
- Made without mercury, lead and other heavy metals
- Made without formaldehyde
- Made without phthalates regulated by the Consumer Product Safety Commission
- Low VOC (Volatile Organic Compound) emissions for indoor air quality (less than 0.5 parts per million)

Secondary Fluid Barrier:

- Assembled between foam and cover
- Unique protection: If the outer cover is compromised, foam is protected

12 month Standard Warranty

- Standard warranty covers material and workmanship.

Pressure and distribution imaging report prepared by RDSI for North America Mattress Corp.

Computerized mapping confirms outstanding redistribution of pressure across the mattress surface. Please contact NAMC for detailed report.
